The Evergreen State Fair - Barn in the USA! Celebrating America’s 250

The Evergreen State Fair Park is excited to welcome the public back for the 2026 Evergreen State Fair, starting August 27!

The fair is back this year with new and returning food and commercial vendors, carnival rides, animal barns, displays and exhibits, entertainment,beer gardens, and more.

This year’s theme: “Barn in the USA! Celebrating America’s 250!” embodies everything that makes summer one of the best times of the year.

From the excitement of the rising lights from a concert stage, that makes the crowd go wild in anticipation of their favorite artist, to a stroll with friends down the vibrantly lit midway. Or maybe being lucky enough to catch the sunset or fireworks show from the top of the Ferris wheel with someone special. These moments are magical, and they make us feel alive.

For Snohomish County, The Evergreen State Fair is the last hurrah of summer. Soon kids will be back in school, there will be a chill to the air, and the leaves will start to turn. This is our

chance to come together as a community, celebrate our rich history, and have 11 days of pure summer fun.

Healthy Communities Day at the Fair September 3

The Evergreen State Fair is continuing a healthy focus at the 117th fair by celebrating healthy living through community connection.

On Thursday, September 3, in partnership with the Snohomish County Health Department, the Fair will host Healthy Communities Day from 10:30 a.m. to 6:00 p.m., inviting fairgoers to explore resources, activities, and organizations that support health and wellness across Snohomish County.

information about health and wellness, healthy activities for kids, and health resources for people of all ages and backgrounds.

“It is more important than ever for the Health Department to partner with events like ‘Healthy Communities Day’ given healthcare access challenges that continue to grow in our county, state and country,” said Dr. James Lewis, Health Officer for Snohomish County Health Department. “It is essential that

communities pull together to support and highlight local resources for health and wellness to keep our communities as healthy as possible.”

“We love creating moments at the Fair that bring people together, and Healthy Communities Day is a perfect example of that,” said Mike Ohlsen, Fair Manager. “It’s a chance for families to have fun, learn something new, and connect with local organizations that support their well-being. Pair that with Family Day, and it’s an easy, affordable way to spend the day focusing on what matters most—community and health.”
